INDEX.

ABSCESS, Intracranial, of otic origin, 72.

Abscesses, cold, Treatment of, 108.

Aged persons, Operative procedures upon, 426.

Amputation, Stumps of leg, Improvement of, 584.

Amputations of shoulder-joint, Control of hæmorrhage in, 321.

Anæmia, Artificial, and asepsis, 456.

Anæsthetics, Statistics of, 457; Indications to be drawn from the urine as to the safety of, 439.

Anastomosis, Intestinal, by a method preventing subsequent contraction of the orifices, 313; secondary to enterectomy, 322; for malignant stenoses, Final results of, 669; for neoplasm, 664.

Anchylosis, fibrous, Treatment of, by electrolysis, 208.

Aneurism, cervical, thoracic and abdominal, Treatment of, 283; of vertebral artery, Traumatic, 477.

Aniline products, Use of, in carcinoma, 522.

Ankle, Extirpation of, for club-foot, 248.

Anterior tibial artery, Injury of, complicating compound fracture of the leg, 99.

Anthrax, Case of, 605.

Anus præternaturalis, from gangrenous strangulated hernia, 351.

Appendicitis, Analysis of sixty-eight cases of, 96; and perityphlitis, Mortality of, in Stockholm, 580; Infectious, 365; Relief of chronic relapsing, by removal of appendix, 90, 93; with general septic peritonitis, Treatment of, 42.

Appendix vermiformis, Foreign bodies in, 670.

Arthrotomy for irreducible dislocation of elbow, 666.

Asepsis and artificial anæmia, 456.

Atlas and axis, Injuries of, 239.

Aural pyæmia, Operation for, 75.

BACILLUS coli communis, Surgical importance of, 293; Pyocyaneus, Pathological importance of, 454.

Bladder, Urinary, Operations on, Symphyseotomy in, 486; Rupture of, 647; Stone in, with ligature knot as nucleus, 588; Stone in, with hairpin as nucleus, 588; Tamponade of, after suprapubic incision, 587; tumors of, Operations for, 354.

Blue œdema, Hysterical, 667.

Bone filling, 460.

Bone implantation, Histological observations after, 460.

Brain surgery, Review of Starr's treatise on, 473.

BURRELL, H. L., Report of a case of anthrax, 605.

CALCULUS, vesical, Treatment of, 434.

Carcinoma, Use of aniline products in treatment of, 522.

Carotid artery, external, Preliminary ligations of, 257.

Cells, Review of Hansemann's studies on, 691.

CHIPAULT, On the surgery of the spine and spinal cord, 49.

Cicatrices, Hypertrophies and degenerations of, 253.

Cleft palate, Operative treatment of, 237, 466, 467.

Club-foot, Extirpation of ankle in, 248; Treatment of, 597.

Cocaine as an hæmostatic in hæmophilia 570.

Compound and ununited fractures, New method of direct fixation of the fragments in, 125.
Colon, Reunion of, by simple suture, after exsection, 83.
Craniectomy for microcephalus, 70.
Cranium, Fracture of the base of, followed by pulsating exopthalmos, 234.
Cystitis, Etiology of, 589.
Cystotomy, Feasibility of intra-peritoneal, 408.
Cystotomy, Suprapubic, 106; in two stages, 585.

DIPHTHERIA of wounds, 455.
Disinfection of septic wounds, 455.
Drainage question, Contribution to, 570.

ELBOW-JOINT, Hereditary luxability of, 248; Irreducible dislocation of, Arthrotomy for, 666; Ten cases of anchylosis of, after treatment of fracture of the lower end of the humerus in the forearm extended, 218; Tuberculosis of, 108.
Electrolysis in the treatment of fibrous anchylosis, 208.
Endocranial hæmorrhage, Operative relief of, 416; Myelogenous tumor of the skull, 572; Sarcoma, extirpation of, 71.
Enterectomy for malignant stenosis of ileo-cæcal valve, 322; in Bergmann's clinic, 583.
Entero-anastomosis for malignant stenosis, Final results of, 669.
Epilepsy, traumatic, Trephining for, 71.
Epiphysis, Lower, of femur, separation of, 1.
Erysipelas inoculations in the treatment of cancer, 68.
Exopthalmos, Pulsating, following fracture of the base of the skull, 234.
Extremities, Treatment of severe injuries of, 470.

FACIAL NERVE, Stretching of, for trigeminal neuralgia, 466.
Femur, Fractures of, in the new-born infant, 471; Old, ununited, intracapsular, treated by nail fixation, 30.
Femur, Separation of the lower epiphysis of, 1.
Fibroma arborescens of joints, 674.
Fistula of neck, congenital, 574.
Flat-foot, Operative treatment of, 596.
Fractures, of femur, 30, 125: of upper extremity with nerve injuries, 356: of joints, Treatment of, 672.
